Meet Monique - the coastess with the mostest...

ver seen what happens when a whale gets washed up on the beach? All the locals flock to the shore desperate to get the poor fella back in the water. Or if that doesn't quite go as planned, to watch 150 blubbering tonnes of seagull food gradually materialise in front of them.

When the tide pulled in Monique to this sandy enclave she attracted a similar crowd, but thankfully no one tried to tempt her back into the sea with a bucketful of fish and some big sticks.

"I love going to the beach," the sun-

one place I can take off all of my clothes in public without some prudish nimby calling the police. I know going naked can attract a lot of unwanted attention, but I actually get a kick out of being leered at by total strangers.

"I'd be lying if I said I didn't want guys to look at my body. I suppose that's the reason why I decided to become a porn model. The idea that some random guy that I've never met before is looking at my pictures and wanking himself off to the thought of fucking me. I mean,

"I guess I'm just as bad when it comes to ogling the opposite sex. If I'm in the street and I see some fella I like the look of, I'll gladly eye him up. But I won't take it any further than that - I'm far too shy to start a conversation. I'd rather just let my filthy mind run riot about what could happen between us when I'm pleasuring myself later."

She definitely gets our surf up! &
